

Hi Debbie and Ken,

I just checked with my brother John and he said roof looks great and my Mom is pleased. We were fortunate to have some good weather.

I would like to thank you for accomplishing this job and the professional way you do business. From the day I talked Debbie and met with Ken everything was First Class. I would highly recommend your company to my friends.

If you could please send the paperwork to me in Ottawa and I will look after it.

Thanks Again.

Best Regards

Phil Carney
